REGISTRY RULES AND REGULATIONS

The law as passed is very liberal in its provisions, leaving the matter of registration and license entirely to the option of the owners, but making provision for the legal and easy collection of service fees for those availing themselves of the privilege of registration and license.

It also provides that no stallion or jack may be advertised, either directly or indirectly, as sound until such animal has been examined by a representative of the Registry Board and a certificate of soundness issued. It is not necessary, however, to have a certificate of soundness in order to secure a license or to stand for public service.

No stallion or jack will be given a certificate of soundness if any of the following physical defects or diseases are present:

Moon Blindness (periodic opthalmia), Cataract, Roaring or Whistling, Heaves or Broken Wind, St. Vitus Dance, String Halt, Bone Spavin, Ring Bone, Side Bone, Navicular Disease, Thoroughpin, Bog Spavin, Curb with Curby formation of Hocks, Glanders, Farcy, Urethral Gleet, Mange, and retention of one or both testicles (Crytorchid).

Certificate of soundness that may have been issued will be revoked whenever any of the above diseases or defects are detected at later examinations.

The registration and license fee is $3.00 for each animal registered. A renewal of the license, if applied for before March 1st of the following year, may be secured for $2.00.

Stallion owners wishing to have a certificate of soundness for their horses, should make application for the same to the Board, and whenever possible such examination will be made, the maximum fee for which will not exceed $3.00 for any one horse.

Blank forms of application for stallion and jack license must be filed giving necessary information before license can be issued. These blanks can be secured from the Livestock Registry Board, Stillwater, or from the county clerk of each county upon request.

A pure bred license can be issued only when the stallion or jack has been recorded in the stud book of one of the associations listed below as being recognized by the Registry Board. The application for a pure bred license must be accompanied in every case by either the certificate of registration, commonly called the pedigree, or a certified copy of the same, before a license can be issued.

A Grade license can be issued to a stallion that is not purely bred and registered only when the name and pedigree number of the sire or dam is given on the application blank. The sire's pedigree must be recorded in a recognized association stud book.

Two forms of license only are issued for jacks; one for purebred or registered, and the other for scrub or non-registered jacks.

Under the provisions of the law certain registry companies that make a practice of issuing certificates of registry or pedigrees for grade horses shall not be recognized by the Board in the issuance of purebred licenses or certificates.
